### THE 'IN' GENERATION

by Dr. Billy Graham

From DECISION Magazine

©1967 The Billy Graham Evangelistic Association  
Minneapolis, Minnesota      Used by permission

Time magazine has broken all precedent by naming as its "Man of the Year" the young person who is 25 years of age and under. In the closing third of the 20th century, says the journal, the younger generation looms larger than all the promises of science and technology put together. Young people will soon be in the majority in our western countries. At this hour there are nearly 90,000,000 American young people in this category. Never has a generation been so articulate, so highly educated, so independent, as the new generation. Today's youth has a unique sense of control over his own destiny. He was reared in a prolonged period of world peace. He is called a member not only of the "in" generation and the "now" generation, but also of the "open" generation (*Look* magazine) and even the "tormented" generation (*Holiday* magazine).

Whatever the title, it is agreed that this is a generation of protest, revolution, crisis and change. Young people are continually seen on television; they are heard on radio; they are interviewed by magazines, dissected in professional journals; businessmen compete eagerly for their dollars. Yet there remains a deep vacuum within them. They are searching for individual identity, for a challenge and a faith. Whatever captures the imagination of the young people of our generation will change the nation.

In much of our modern education there is a confusion of values.

Young people are mixed up about what is morally right and morally wrong. In spite of more conveniences, more entertainment and more leisure, many psychologists have noted that teen-agers are more miserable than the teen-agers of the last generation. They are suffering more frustration, and thousands of them are attempting suicide each year; every hour and a half a student in America tries to take his life. But that is not the whole story.

#### THE THING THE REPORTERS FORGOT

In their discussions of youth the magazines have left out one element. They have neglected to mention that millions of youth are committed Christians who attend prayer meetings and Bible study groups, and are growing in the Grace and knowledge of Jesus Christ. The Master of men has filled the vacuum of their lives. He has given them a cause to believe in. Even though some young people have become rebellious, disillusioned and cynical, there are thousands of others who have found a certainty through their faith in Jesus Christ.

It has been my experience that modern youths want the religious message to be undiluted. They don't want the preacher to "beat around the bush." They want it "straight from the shoulder." When they get it that way, they respond to the Gospel with great enthusiasm.

It has been my experience, too, that young people are not impressed by a civilization that puts stress on material prosperity. They say, "Our

parents are interested only in material prosperity and creature comforts. I want something more for my life." Latin American students told me, "We don't want your refrigerators and your automobiles if we have to take your delinquency and your divorce with them."

#### IN LOVE WITH A COMMUNIST

I look into the faces of so many young people and see the youthful longing, the thirst for reality, the questing, the wistful dreaming and hoping. They are searching for answers to some of the deepest problems of life.

In a thoughtful novel, *Age of Longing*, an American girl falls in love with a Communist. She has no sympathy with his politics, hates his philosophy of life, finds his crude manners repugnant. But one thing about him holds her spellbound: the certainty of his belief. She herself has no faith in anything; her whole life is blasé. What she admires about him is that he is completely certain about what he believes.

The church's power in the first century was its element of certainty: "Now we believe," said the man of Sychar, "not because of your saying; for we have heard him ourselves, and know that he is indeed the Christ, the Savior of the world" (John 4:42). This attitude is found throughout the New Testament. One after another cries, "Believe us! We have experienced Christ for ourselves."

#### YOU CAN KNOW THAT CERTAINTY

Here was the element in the early church that turned the world upside down. Paul's epistles are really shouts of "Eureka!" He kept saying over and over, "I have found Him! I have found life's meaning, I have found life's great goal. I have found a hope that is steadfast and sure." He was certain that Jesus Christ was the embodiment of all truth, and the fulfillment of the longings and desires of the questing and

**REVIVALTIME**

C. M. WARD, SPEAKER

"A WEDGE" . . . A pioneer Pastor, who went through long months of difficult and discouraging days, wrote: "I want you to know that REVIVALTIME was like a beam of light in the night during that time. Then a lady in our area wrote to you. Her name and address was sent to us from REVIVALTIME. She became our first member and is now one of our Sunday school teachers! The Lord has helped us to win some wonderful people and bring to birth another full-gospel church!"

Thank God, A WEDGE was driven into that community by REVIVALTIME. DID YOU DRIVE YOUR WEDGE last month?

95 churches in this District gave \$2,178.29 to REVIVALTIME in June.

Approximately 235 churches had the WEDGE but forgot to DRIVE IT IN!

## Summer Improvements Greet New And Returning Students To Bethany Bible College

The summer months at Bethany Bible College in Santa Cruz are usually a time for improving the grounds and buildings on campus. This summer has been no exception, and a number of improvements have been completed in time for school opening September 5.

The most extensive and most obvious improvement was the installation of about 1500 square yards of carpeting. The colorful carpet has been laid in the residence hall lobbies and hallways, the library, and administrative offices, and the prayer rooms. It is expected that this investment will not only reduce the noise in the dormitories, but will also result in lower maintenance costs.

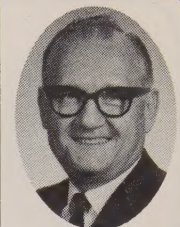

A new prayer room has been provided beneath the platform of Craig Chapel. This area is centrally located on the campus, and is easily accessible particularly to off-campus students.

### "Do Nots" For Construction Loan Applicants

Here is a list of "DO NOTS" which you should carefully observe, because if the requested loan is to be made, the deed of trust or mortgage must be superior in lien to any mechanics' lien which might arise out of the construction of the proposed improvements. No loan can be made if you fail to observe these rules, or if your building contractor or anyone acting for you fails to observe them.

1. DO NOT begin removing or demolishing any building or buildings on the property.

2. DO NOT start to build or demolish retaining walls, fences, etc.

3. DO NOT install water meters on the property.

4. DO NOT permit pole or meter for power saws to be installed.

5. DO NOT begin grading, or setting any stakes for grading, or removing any debris from the property.

6. DO NOT have any material or equipment which is to be used in the construction of the improvements delivered to the property, or adjacent property, or placed in streets or alleys.

7. DO NOT drill test holes for the foundation.

8. DO NOT outline the foundation—even with temporary stakes.

9. DO NOT remove (or plant) any trees or shrubs or even weeds.

10. IN BRIEF, DO NOT have work of any kind done on the property until the deed of trust or mortgage has been recorded and you have been notified to proceed. You should caution your contractor on all these ten "DO NOTS."

An inspector for the lender or title company checks up on the observance of all these "DO NOTS" before recordation.

### Special Feature . . .

Missionary Sam Sasser and his colorful group of 36 Micronesians were recent guests at the District Office where Superintendent Joseph L. Gerhart was presented with a gift by King Hermious and Queen Atama Zedekeia. The group, all members in the foreign missions program of the Assemblies of God, are here in the United States as guests and representatives to the General Council of the Assemblies of God and appeared in the Municipal Auditorium in Long Beach, California, during the recent Convention. Their costumes are very colorful and their singing is outstanding in beauty as well as in spiritual anointing.

# NATIONAL BIBLE WEEK OCTOBER 15 - 22

NEW YORK—As the hand that rocks the cradle increasingly rocks the world, a new worldwide interfaith program holds special significance for women around the world this year.

More than 40 million people all over the world are expected to participate in a new worldwide interfaith program combining the American Bible Society's Worldwide Bible Reading and National Bible Week of the Laymen's National Committee for the first time this year. The previously separate programs, which both began during World War II, are being combined this year in an all-out effort to reach the greatest number of people. Worldwide Bible Reading and National Bible Week will run concurrently from October 15 through October 22. The American Bible Society's WBR program

will then continue through Thanksgiving for a total of 40 days.

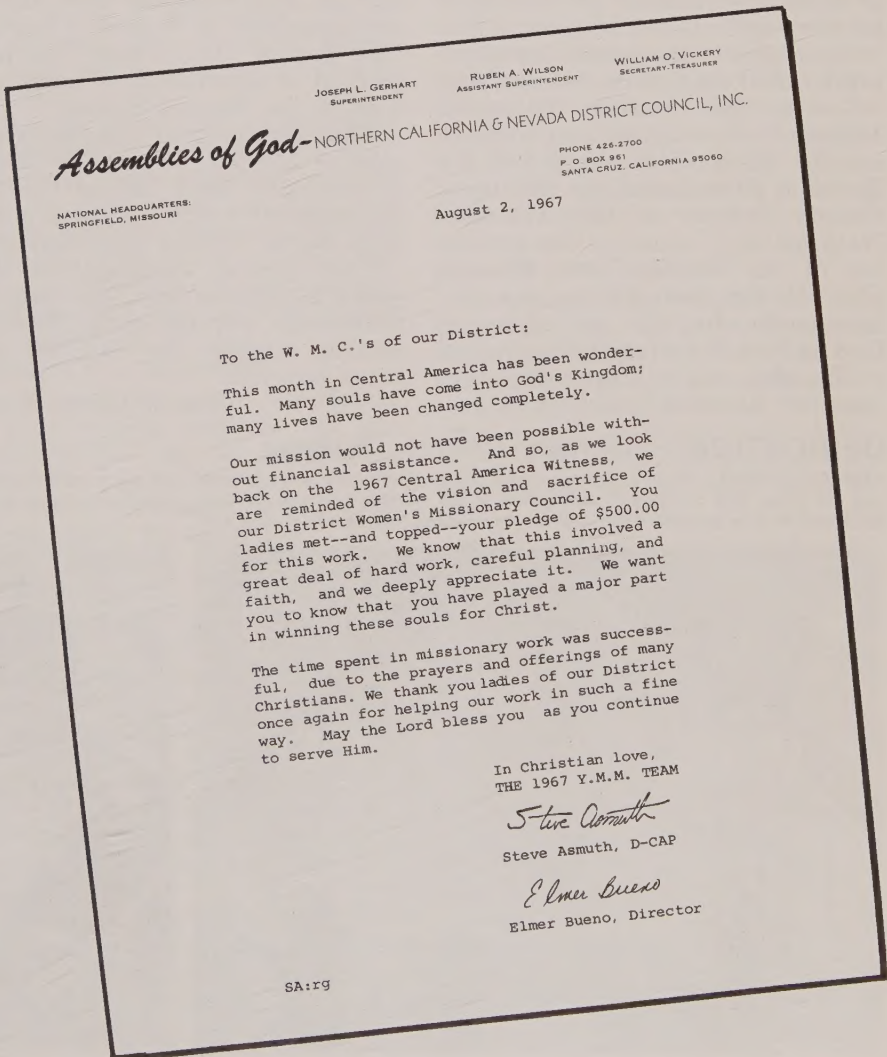

The ABS provides WBR Scripture selections free on request in the form of a bookmark. Since the WBR program began, over 300 million such bookmarks, which are widely printed around the world by both the secular and religious press, have been distributed by the ABS. For example, one denominational publication alone publishes the WBR Bible readings in 28 foreign language editions in addition to its stateside issues.

Now in its 23rd year, WBR resulted from a lonely Marine on Guadalcanal asking his parents to join him in reading the same pre-

selected Scripture passage each day. And the concern of businessmen during the same dark days of World War II gave birth to Nataional Bible Week. With thousands of servicemen in Vietnam and other trouble spots as well as in training camps expected to take part as did their counterparts during World War II and the Korean conflict, the program takes on special significance during 1967.

This year also marks the 150th anniversary of ABS service to the military. Since 65 Bibles were given to the crew of the USS John Adams in November, 1917, the ABS has been supplying Scriptures to mili-

### PASTOR DENNIS DAVIS . . .

. . . resigned the Pacific Grove Assembly after nearly six years of ministry to accept a pastorate in Salem, Oregon. Under his leadership the church purchased new property and built lovely new facilities. Splendid spiritual progress has been made during the six years and the Sunday School has tripled in attendance. The general attendance has more than doubled and the church budget has tripled with the missionary-giving increase being over 400%.

Pastor Davis has been active in our District program. He has served on the Coast Counties Home Missions Committee and the Bethany Park Campmeeting Board. He served as secretary-treasurer for two years for the Pacific Grove Minister's Fellowship and is the immediate past-president of that group. He has been active in the Monterey Peninsula Minister's Association and in community affairs. He has served on the Board of Directors of the Monterey County chapter of the American National Red Cross and was a member of the Pacific Grove Kiwanis Club. He has been serving as a contact pastor for the Assemblies of God at Fort Ord where he conducted a Tuesday night counseling program for Assemblies of God men.

### CALVARY CHURCH - SALINAS:

District Superintendent, Joseph Gerhart, Asst. Superintendent, Ruben Wilson, and former Pastor, W. Cornish Jones, were the featured speakers at the recent dedication services of the new building of Calvary Assembly of God in Salinas. Over four hundred people were in attendance at the afternoon service.

The photographs accompanying this article show the new sanctuary and one of the classrooms.

This first unit will in time be used for education and recreation. A future sanctuary building and another classroom building have been provided in the plans.

Classrooms were built large in size for multi-purpose uses and to accommodate a future Christian Day School. The Team Teaching method of instruction is being utilized in the Sunday School.

Thus far the church has an investment of \$210,000.00 and 7,000 hours of volunteer labor in the building and property which is located across from North Salinas High School.

The entire congregation has grown in faith as they have seen the miraculous working of the Lord in making possible the facilities now being enjoyed.

### PASTOR JERALD V. MORRIS . . .

. . . and family have recently moved to Macdoel where Reverend Morris will serve as Pastor of the Macdoel Assembly.

### PASTOR RAY W. SHELTON . . .

. . . reports for the Galt Assembly, "To God be the glory; great things hath He done!" Our hearts are rejoicing in the aftermath of revival with Evangelist Star Thomas. His ministry was greatly appreciated in three weeks of meetings. Two families were brought into the church, others were saved and baptized in the Holy Spirit, and numerous healings and answers to prayer were reported.

During the first week of the meetings, the entire town was canvassed by our C. A.'s and a group of C. A.'s from Alisal Assembly in Salinas. Literature was distributed including gospel tracts and revival advertising.

We are praising the Lord as the work in Galt carries on with renewed zeal and determination to win souls.

### Missionaries Report S-T-L Equipment Valuable

FROM DON & RUBY McMURRAY, PENANG, MALAYSIA:

"Without our Speed-the-Light vehicle we could not have reached the many people we have preached to... There are some thrilling stories of souls being saved in our various meetings. Old men with tears meeting God and hundreds of young people accepting Christ because we had the transportation to go wherever there was a need. We have even preached from it and had people come out in their front yards... or in the market area to listen to the Gospel. These are thrilling stories... you can get a picture of what God has done with the sacrifice of the young people in the Northern California-Nevada District. We do wish to thank you for your help in the past and for helping us now so we can repair the car windows and door. The tropics cause deterioration of the windows' and doors' weather strips, so we had to have them replaced. May God bless you."

FROM DONNEL McLEAN, SHIMIZU, Japan:

"It is with a real, deep feeling of thanksgiving and joy that I write to you at this time to express our

heartfelt appreciation for accepting the project to get a motorcycle for one of our national co-workers, Junko Suzuki... it will surely meet a big need for pioneering works in areas such as ours is literally impossible without a vehicle. For example, Shimizu is about 35 miles north to south... we cannot be satisfied in any sense with seeking to establish one work in the main town — we must reach out to the many surrounding towns... We had five campaigns in such surrounding towns this month and plan on more as the years go on. What a blessing the motorcycle will be!"

### Thanksgiving Convention Scheduled

Another great C. A. Convention is planned for this Thanksgiving Vacation, November 23, 24, and 25. To be held in Bethel Temple, Sacramento, the convention will feature evangelist Bobby Black, a dynamic and challenging speaker. Special music will again be presented by Audrey Meier. This year's convention will be an event that you won't want to miss. Watch for further details, and begin making plans now to be in Sacramento at C. A. Convention time!

### BETHANY CHOOSES NEW ADMINISTRATOR

Rev. Oliver E. Summers has accepted the post as Bethany's first Director of Development. His new duties officially begin September 1, following a special seminar to orient him to his new work. He comes to the college from very successful pastorates in Jacksonville and Tigard, Oregon.

As Director of Development, Rev. Summers will work as the representative of the President to give direction and over-all supervision to all aspects of campus development. He will be responsible for long-range building and funding programs, in both their planning stages and in their actual implementation.

The internal Board of Administration will be expanded to five men in order to include the new Director of Development. Also, a Committee on Development has been formed, and Rev. Summers has been named as the Chairman.

The educational background of Rev. Summers includes a Business Administration course at the University of California of Los Angeles, a Bachelor of Arts degree from Southern California College, and a Master of Arts degree from Berkeley Baptist Divinity School. Prior to entering the full-time ministry, he served for some five years in an administrative post in the United California Bank. ## RANDOM PHOTO ACCOUNT OF ALL CAMPS AT BETHANY & LASSEN

## CAMP SEASON ONE OF REVIVAL AND BLESSING

“An old fashioned revival” — this is how a visiting minister described the Bethany Boys and Girls Camp service he attended. For campers and counselors Summer Camp has been a mountain top experience that will not soon be forgotten.

When this issue goes to press three camps will be history; Bethany, with Harry Leacock, Lassen, with Kirk Soper, and Lassen Junior High, with Watson Argue Jr. It is impossible on one page to describe the activities, blessings, humor, and sacrifice that together made up the camps. Share the accompanying pictures with your camper and have them fill you in on the details. Thank you for your support in praying for our Summer Camps. God answered your prayers in a marvelous way.

The following are some quotes from these camps:

**Counselor—  
Bethany** “I didn’t know God would do so much for children of this age.”

**Camper—** “Five days ago I wasn’t saved. Now I’m saved and filled  
**Lassen** with the Holy Spirit.”

**Counselor—** “Some may think I’m a fool to spend my vacation this way (counseling), but it brings me lasting joy to see how the Lord uses my small efforts. Let me tell you how some of the campers I have had in the past are serving the Lord now . . .”

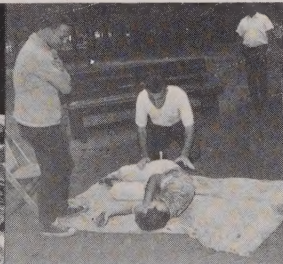

**Counselor—Lassen** “Guess what happened tonight in the prayer room. My daughter was filled with the Holy Spirit. I came to help others and received for my own.”

**Counselors—** “My wife and I had traveler’s checks ready to spend our week’s vacation at Disneyland, and then the Lord spoke to us and said He needed us to counsel at Bethany. We are glad we heeded His voice.”

**Jr. High Camper—** “Of 130 in attendance 42 received the Baptism and 51 were refilled. That ought to make anyone shout.”

**Lassen Jr. High** “Last night the Lord saved me and tonight He filled me with His Holy Spirit.”

**Director—Lassen** “Thirty-four were filled with the Spirit in one night. One was my son. That’s the best pay a father can ever ask for.”

Dear Sir:

Enclosed you will find some photographs of part of our work here in Sierra Leone.

We wish to express our appreciation to all our friends in the District for their prayers and interest during the recent political upheaval here in Sierra Leone. It was during this time that 50 people were killed in Freetown alone. The son of one of our pastors was shot as he walked down one of the streets, but God spared him and this country through the prayers of His people.

Even in the midst of this crisis, Freetown still feels the impact of one of the greatest revivals in her history. It was after our open-air crusade in the city stadium, that we moved into one of our larger Assemblies of God churches to conduct special services with emphasis on receiving the infilling of the Holy Spirit. It was such like New Testament times as we saw over 200 receive the Baptism of the Holy Spirit. It was an experience for us to see this visitation of God's power and glory.

Among those filled with the Spirit were many Creole people who are the descendants of freed slaves. After these meetings, there was opened another church for the Creole-speaking folk. Immediately, they were able to support a national pastor full-time, and began generous contributions toward a building fund for their new church. Among those who attend and visit this new church are many influential people in the community, including the recently newly elected Prime Minister's wife.

One of the young men, who was filled with the Spirit, went back to his village with this wonderful testimony and through the leadership of the Holy Spirit began to preach and lead his people into a deeper life with Christ. A few weeks ago, I attended a ground-breaking service in this village with our national District officials at the site where they will build their first Assemblies of God church.

These have been fruitful days for us here in Sierra Leone. Our Bible School students have completed their first term and plans are being made to enlarge our facilities to accommodate both single and married students.

With God's many blessings upon the work in Sierra Leone, we've found our first year in Africa most rewarding.

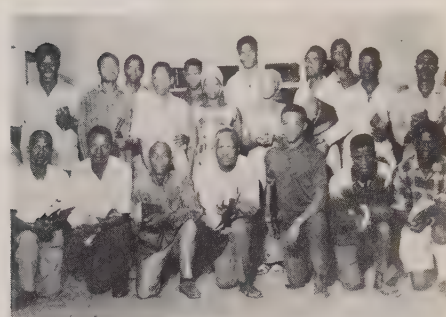

Sincerely in His service,

*James R. Berry*

# Through The Valley of The Shadow

by Don Calvin, Vietnam

S/Sgt Donald A. Calvin was honored recently by a surprise ceremony on July 30, when he was presented with a beautiful certificate inscribed, "In recognition and appreciation for outstanding Christian service," from Marine Aircraft Group 16. The photo shows Sgt. Calvin holding the certificate which has the head of Christ on one side and is bound in red leatherette. He says, "I was given the finest compliment, of which I felt very unworthy when the certificate was presented: 'He is willing to

make any sacrifice to push the work of God forward; to stand in the shadows and let another carry the ball if need be."

Reverend Calvin is ordained with this District but has remained on active duty with the Marines in order to better serve the Lord and get the Gospel to the men of the military. For many weeks he and his group have been in the worst of the Vietnam conflict in and around the DMZ area. Remember to pray for Sgt. Calvin and all of our military personnel.

My job in Vietnam is rather unusual in that it is threefold. I am a Marine and do my part for peace in Vietnam in that respect; I am a part-time Chaplain and preach and teach the good news of the Gospel; I am a Marine journalist and cover the war here. All three of these jobs take me into the front of battle, and I usually get there by helicopter, like everyone else. What I have been through here, I refer to as the "Valley of the Shadow."

Shadows are not unknown to the Christian life. They generally represent sorrow in some respect, either past, present or future. Have you been through a shadow-darkened valley or are you about to go through one? Are you in one now? Then read closely and apply this to your 'valley-walk.' "Yea, though I walk through the valley of the shadow..."

Vietnam is the deepest valley through which I have ever gone. It has been the same for my loved ones as well. Sorrow has come from all areas: narrowly escaping death many times, separation from those loved ones, and the horror of war.

You see, shadows do not belong to God. He is called the 'Father of lights,' and the shadow has come, in whatever form of sorrow or sadness or trial, to help us see HIM and look toward HIM, who is *the* Light.

If you are about to go through the valley, grip His hand tightly until you can feel the nail-scars because there will be times when you may not be able to see in the darkened valley and will need His guidance. Never dwell upon or look toward the darkness but keep your eyes upon Him who leads the way ...

If you are in that valley now, who knows but you may be further through than you realize and when you begin to CLIMB you are coming up, and the only thing that is before you is the peak of His great

love. That love, fellowship and communion will be made all the sweeter because of what you and HE have been through TOGETHER. He knows you far better than you know yourself. The tears have flowed long and fast, the damp darkness has pressed in upon you, the kind words of friends have been to no avail; you are so far down you can't even find bottom. LOOK UP, GRIP TIGHTLY, HOLD FAST!! The dark is about to turn to grey, the grey to glorious light as you KEEP WALKING and emerge a better child of God.

If you have been through a valley, does not the sweetness of His nearness linger long in your memory as you think back upon it? Had you ever felt Him so near as in those hours? Did not that same nearness renew in you a love that might have grown dormant and lukewarm? The fact that you made it THROUGH the valley has caused the Lord to have a greater confidence in you and you in Him; a trust-pact, a faith-pact has been formed YOU have brought a STEPPING STONE to greater things in God in YOUR life that is based on the intimacy of a VALLEY-fellowship. Child of God, there was a PURPOSE in the valley for no one but YOU.

Valleys contain other things besides shadows. Green grass is usually there; a quiet stream with refreshing water and wild flowers. All of this speaks of fellowship and refreshment. Do you need these two things in your Christian life??? They are sometimes found in the valley. "Can this be true?" you ask. Sorrow interrupted your busy schedule. It brought you to the "valley of the shadow" for a PURPOSE that you could not see at that time. He knows you so well and you see, He planned it this way ...

## MR. ED MEEKS . . .

. . . is well known in the Southwest because of the annual United Men's Fellowship Rallies he conducts among Evangelicals in the major cities of California and Arizona. A June 1965 Rally was marred by Brother Meeks being hospitalized at Los Gatos, with extreme abdominal pains and raging fever. The doctors diagnosed his trouble as acute pancreatitis. Surgery revealed that blockage of the pancreas gland had caused the fluid to digest most of the spleen, a great part of which was so disintegrated that the physician scooped it away with his hand.

Loved ones were summoned to his bedside as no hope was held for his recovery. The doctor stated there was nothing more he could do; that a miracle was now needed. Relatives and friends waited in prayer through sorrowful days and anguished nights as Brother Meeks lingered in the deep shadows of death scarcely breathing, the doctors expecting the end momentarily.

First Mate Bob, through the Haven of Rest radio network, summoned prayer on his behalf and a number of ministers journeyed to Los Gatos to pray for the man they loved. To the amazement of the physicians and hospital staff, Brother Meeks began to recover.

Some days later, tears of joy and praises to God arose from the Los Gatos Assembly as Brother and Sister Meeks entered to join us in our Sunday night worship. The miracle the doctor said was needed had come to pass. Now when the doctor sees Ed Meeks walk by he says, "There goes my miracle man".

Since his miraculous restoration in June 1965 Ed Meeks has written and published a most helpful Men's Fellowship Manual, a guidance book of Do's and Don'ts for a successful Men's Fellowship, and has resumed the arduous activities of conducting his great United Men's Fellowship Dinners among Evangelicals.

## BBC Summer Improvements

CONTINUED FROM PAGE 3

Funds raised by the College Council at their annual banquet this past spring have made possible the completion of the radio room. The three rooms including an engineering room, an announcer's booth, and a sound-proof recording studio, are now completed in the Redwood Auditorium in the area above the foyer near the entrance of the building. The recording room will be used as a Radio Production classroom, as well as a studio for cutting tapes and records.

A demand for more book shelves and increased study area has once more necessitated the enlargement of the library. This has been accomplished by moving the bookstore to the classroom which was known as L#2. The room which formerly housed the bookstore has been added to the library, and will be used for seminar-type classes during the day, and a library reading room and study area during the evening. Additional all-steel stack shelves for the library have been installed during the summer. A storage cabinet has also been built for storing the audio-visual equipment.

An additional classroom, to be called Terrace room #4 is being created by the remodeling of the shower building located on the hill west of the Redwood Auditorium. Restroom facilities will be installed in this building.

## S.O.S. FROM B.B.C.

At the request of the college, Bethany's new science instructor, the Reverend Kenneth Wireman, submitted a list of the science equipment he would need for his courses. The list included some fifty items. The situation was somewhat helped by the fact that a number of the items were already possessed by the science department, but there was still a lengthy list to be acquired. By careful shopping the budget extended to all but four major items that are for sale at the indicated prices:

Grating Spectrometer	102.50
Geiger Counter	54.50
Ballistic Pendulum	147.50
Wimshurst Static Machine	119.00

It would be a great service to Bethany and the Kingdom if any interested friend would provide one or more of these items. The gift could either be a cash amount sufficient for the purchase, or the item itself if the donor has purchasing connections. The science department in particular, as well as the college as a whole, would be deeply grateful for anyone's help in this particular need.

Those who wish to help Bethany Bible College with these needs should contact:

Dr. Cordas C. Burnett,  
800 Bethany Drive,

## More Mission Items

JOAN BAKER . . .

Joan, oldest daughter of the James BAKERS, Formosa, returned to the United States early in the summer to visit relatives. She plans to enter college this fall.

The Ovid DILLINGHAMS, So. India, arrived in California in time for the missionary rally at Bethany Park campmeeting. They are making their home at 2112 California St., Escalon 95320. They will begin their itineration in September in the Capital Section.

Word has been received that Miss Lela FOLKERS plans to furlough early in September. She has been teaching in the Woodstock School in India.

### WONDERFUL YEARS

Immediately after arriving in Peru, Walter and Ruth ERICKSON taught in the last cycle of the Bible School in Lima. This summer they are evangelizing. Brother Erickson writes, "A few days ago I completed forty years of ministry in Peru and Mrs. Erickson, thirty-five. They have been wonderful years and we both feel that if we had our lives to live over again, we would choose the same path of service."

questioning minds of that day. "I know whom I have believed," wrote Paul, "and am persuaded that he is able to keep that which I have committed unto him against that day" (2 Timothy 1:12).

When Paul was brought before King Agrippa for trial in Caesarea, he might have employed all the logic he had learned at the feet of Rabbi Gamaliel in the university. He might have used his broad knowledge of world travel to impress the king. Instead he related his encounter with Christ. This is the kind of certainty that young people are looking for, and they call it "existential experience." It is a big word on campus. Why not have an experience with Christ? Why not let Christ come in and forgive your sins and cleanse you and become a living reality in your life?

The church has lost its grip on the student world today because many of its members have lost their hold on the certainty of the Christian faith. Students have but a passing interest in theories, creeds and traditional holdovers from another age. Yet when the student comes across a man who can say, "This is what Christ has done for me," he will listen and he will believe.

During our visits in recent weeks to the campuses of the University of California at Berkeley and U.C.L.A., in conjunction with the ministries of Campus Crusade for Christ, we have seen evidence that God will use his Word when it is presented in the power of the Holy Spirit. You, too, can receive Jesus Christ as your Savior and Lord. You can know that same flaming certainty, that same unapologetic faith that Paul knew when he stood before King Agrippa. You can say with the great army of faith of every age, "I am persuaded."

tary personnel without charge. The 750 millionth volume of Scripture distributed by the Society was presented to the Commander in Chief, President Lyndon B. Johnson, in January, 1966, and last year alone more than half a million Scriptures were provided free to the Armed Forces with 100,000 of these going to servicemen in Vietnam. Scripture distribution to civilians in Vietnam is also larger than ever before, and, in a reversal of roles, the cost of producing the Koho New Testament for the Vietnamese was largely underwritten by a donation from the 25th Infantry Division, U.S. Army.

Participation is expected to be even wider this year in the combined program under the chairmanship of Vice-Admiral William F. Raborn, Jr., US Navy (retired) Vice-President of Aerojet General Corporation.
